D. NCC Correspondence and Communications:

E. Old Business:

1. Thomas Williams (Owner/Applicant) property located at 22 Robinhood Road, Sheet C-Lot 1268. The property is transected by Harris Brook, which is defined as a critical wetland with a 40 foot buffer requirement. The parcel is also adjacent to a Conservation Easement (#40). The applicant proposes to construct a deck around an existing unpermitted swimming pool, impacting 774 square feet of the wetland buffer. This property was discussed at the October 20, 2009 Conservation Commission meeting.

F. New Business:

1. Schedule site walk for 91 Gilson Rd. The project consists of a proposed new sidewalk along Gilson Rd. This shall impact Lyle Reed Brook.

G. General Discussion:

- Project update on the Nashua River Watershed Association's Progress Reports.
- Schedule date for a tour of the Nature of Things School.
- NW Conservation Land Annual Report, LCHIP
